

Thursday, August 30, 2018, there will be an informational meeting Rock Town Hall at **7:00 p.m.** regarding the proposed Coulee Frac Sand Mine.

Roberta Walls, the Wisconsin DNR Industrial Sand Mining Coordinator, will be available to address questions related to air and water quality.

Shane Wucherpennig, the Wood County Conservationist will be available to address questions related to land conservation and reclamation.

They can both answer general and specific questions related to air, water, land conservation, and environmental questions.

NOTICE

Members of and probably a quorum of governmental bodies of the municipality will be in attendance at the above-stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting.
